

Dear Brothers and Sisters,

I want to take this opportunity to thank all who were involved in our celebration of 100 years of worship at Holy Assumption Church.

I know so many were involved but I would like to acknowledge Donna Frappolli and the committee she chaired for all the wonderful work they did to bring the celebration to fruition - you all should be so proud.

I want to also acknowledge Alfonso and the combined choir for the wonderful liturgy. And thank you to all who helped set up McGrath Hall and assisted at the luncheon on the day.

May God continue to bless and guide us always as we journey towards the next 100 years.

*Fr. Martin*
