

Mary, Mother of the Church Parish Altar Server Application Form

Altar Server Name: _____

Home Address: _____

Name of Parent(s): _____

Cell phone(s): _____

Email(s): _____

An altar server assists the Clergy (priest and deacon) at the Catholic Mass. They have supporting tasks at the altar such as fetching and carrying, ringing the altar bell, help bringing up the gifts, bringing up the book, carrying the cross, among other things.

If you attend Holy Assumption Church or St. Mary Church, you will be trained on their sacristy.

I/we give permission for our/my child to join the Altar Server team. A record of attendance is kept in the side sacristy; they are to sign in before each Mass.

Medical Note: If your child suffers for a medical condition or has special requirements, please let us know. _____

In the event they are unable to attend their assigned mass, it is important they contact another server from their assigned Mass time to cover for him/her. If this is not possible, they are to notify Mrs. Evans ASAP.
